

Advanced Solutions

a DXC Technology Company

Senior Integration Specialist
IS27

Why Choose Us?

Where will a career with Advanced Solutions take you? To the leading edge of information technology, working with industry partners from around the world. At Advanced Solutions you will work with outstanding people in a challenging and dynamic environment. We strive to provide you with the tools, the training, and the opportunity to take charge of your future and take advantage of change to maximize client service and work within a centre of excellence.

The Opportunity:

Advanced Solutions is looking for community-minded, energetic, progressive individual to join its HIBC Services business area.

As a part of the consortium team which consists of PBC Solutions, Advanced Solutions provides IMIT services to support the Ministry of Health's Health Insurance BC (HIBC) Services. Together, we are committed to the vision: "We empower British Columbians to achieve optimal health and wellness through effective, innovative and inclusive health benefits services."

All members of the team are required to deliver to the shared vision, guiding principles and intended behaviors. The Shared Vision guides the work we do and our Guiding Principles of honesty, integrity, reciprocity, autonomy, loyalty and equity, and our Intended Behaviours inform our relationships and sets the tone for how we work together.

Who you are:

- Display a high level of effort, commitment, and mature judgment
- Maintain a professional and confidential manner at all times
- Trustworthy and responsible behavior
- Eagerness to learn and a willingness to accept feedback and direction
- Customer Focus
- Adhere to Advanced Solutions Core Values
 - Exemplify Professionalism: We uphold a respectful and respected workforce.
 - Embrace and Champion Change: We enthusiastically participate, collaborate, innovate, and welcome change.
 - Encourage and Take Initiative: We are an engaged and progressive workforce promoting personal and professional growth
 - Personify Integrity: We are reputable and productive which builds the foundation of our success

Application Requirements

Must Have

- Degree in Computer Science and 7 years of related experience; or Diploma in Computer Technology and 3 years of related experience; or computer technology Certificate, program completion, or some course work, and 4 years of related experience; or 5 years of related experience.

Diversity, Inclusion & Workplace Information

We promote a diverse, equitable work environment and welcome employment applications from individuals of all backgrounds. Our employees enjoy competitive and comprehensive extended and group benefits and participate in a very progressive defined benefit plan through the BC Public Service Pension Plan.

How to Apply:

Please ensure your application clearly identifies how you meet each of the stated qualifications, with particular emphasis on the education, training, and experience requirements. This information will be utilized in screening your application and determining whether you will be considered for the next stage of the recruitment process.

In your application/cover letter please indicate how you heard about ESIT Advanced Solutions (i.e., name of job boards, career fairs, word of mouth). Qualified candidates are invited to forward their cover letter and resume, noting the position title and where they saw the position advertised, to Competition@dxcas.com. This competition will remain open until filled.

An eligibility list may be created. Lesser qualified applicants may be under-implemented or appointed at a lower level.
